Experiences Ψ

An aquatic playground

At the heart of the Resort, make your way through the lines of luxurious palm trees and dive into the lagoon-inspired family pool. Enjoy some family time splashing around with the water jets and cannons. You'll still be smiling as the sun goes down.

Waterskiing on the Indian Ocean

Follow your G.O.s[®] onto the pier, grab your skis, and get ready to enter the ocean and its myriad of blues. In the distance, mountains frame the landscape, white sandy beaches at their feet. Flamboyant frangipani shrubs echo the colours of the colonial houses.

Shellfish and exceptional wines

Enjoy a magical moment as the balmy evening sets in, watching the sun set across the lagoon with your feet in the sand. Set back, savour a local fish dish with fried rice. Choose a glass of wine* from the list selected by a prize-winning sommelier. Let yourself unwind to the live orchestra at the Alma Beach Lounge.

An infinity pool over the lagoon

Cross the green lawns dotted with coconut trees to get to the Zen pool overlooking the lagoon. Lie back on a lounge with a glass of freshly-squeezed juice. The singing of bulbul and cardinal birds provide an exotic soundscape.

« Signature » design inspired by the rich cultural mix specific to Mauritius

“ We wanted to create settings specific to Mauritius by playing on the island's multicultural nature. We deliberately avoided overly trendy aesthetic options so as to create contemporary environments which are clearly Mauritian. The relaxed lifestyle and the beauty of the surroundings are emphasized to create a space to live and spend a holiday in as well as to enjoy a more sophisticated experience. ”

An “amazing” experience: the words to say it...

The 5-Trident Club Med La Plantation d’Albion is an exercise in extremes, where abundant untamed nature meets supreme refinement and exceptional service.

Enjoy breakfast room service on your private terrace. The unfettered view inspires instant disconnection; you’ll feel the tranquility of this vast, sparsely populated paradise. Walk directly onto the wild beach through a dense, fragrant arch of vegetation: your feet in the coral sands and blue waters, the trees above providing shade. Or gather the family for an excursion* to Blue Bay, one of the island’s epically beautiful sites. Make the reservation with your dedicated concierge, just one example of Mauritius’ incredibly kind, attentive, and personalized service.

You’ll be spoiled by the wealth of sports choices, like the onsite golf training center or nearby 18-hole Tamarina Golf Club*. There’s tennis, archery, or fitness classes, and sailing, stand-up paddle, or scuba diving* in the tropical waters. Or try the flying trapeze! The thrills come with a view of the 21-hectare resort, its tamarinds, cactus, and banyan trees, and dramatic wild coves.

For peace of mind, drop off the children at the kids clubs, from 2 years old*. At this paradise for children, the caring G.O. team exemplifies Mauritians’ legendary kindness. Head to the secluded, adults-only Zen Zone, and relax at the Zen Pool with drink service and ocean views. Or indulge in a natural oils massage at the 700-square meter Club Med Spa by CINQ MONDES*. Unwind on its oceanfront terrace, delicately perfumed by the sea and gardens.

In the evening, enjoy a flute of champagne and the resort’s elegant, contemporary design. Take the buggy service to Le Phare Specialty Restaurant, its intimate terrace perched above the black rocks and breaking waves. You’ll feast on more than ocean views: delight in the luxurious flavors and subtle spices of Mauritian cuisine.

With its striking nature and vibrant immersions in the Mauritian art of living, Club Med La Plantation d’Albion will enchant you with its sublime experiences.

Experiences 

A dip over the ocean

Sit down on the edge of the Zen infinity pool above the volcanic rocks, surrounded by dark mosaics. Gaze out the sea in search of hump-backed whales. From this unique viewpoint, observe the waves breaking on the black lava rocks.

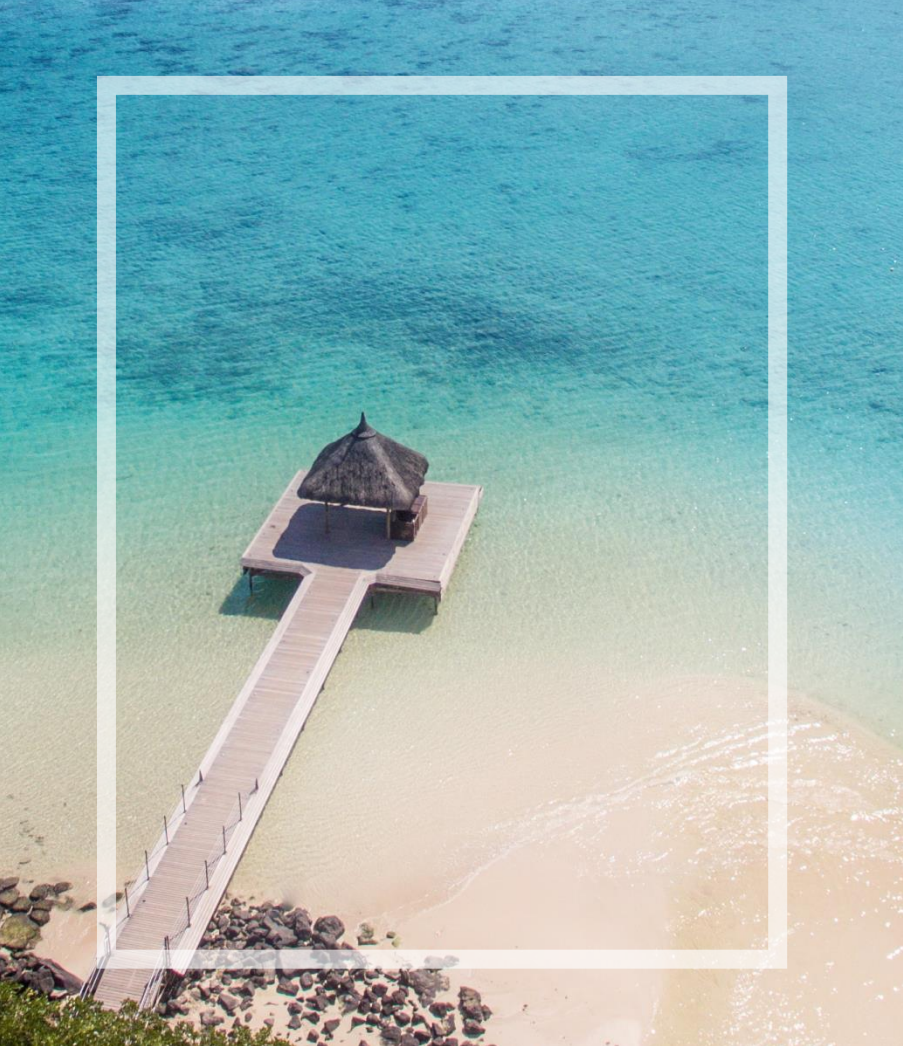

In suite room service

Morning light floods into your bedroom and over the warm exotic decor. Admire the details of the carved wooden headboard. Step onto your terrace for breakfast, surrounded by red flame tree flowers. In the evening, curl up in your deckchair and enjoy the sun as it sinks behind the banyan trees. Sip a glass of champagne*, served with a smile.

Dinner at the lighthouse

After a dip in the Zen pool, stop under the domed roofs of the La Distillerie restaurant. The chef serves plates of tender marlin curry with tomatoes, spices and thyme. Say yes to a tamarind sorbet. On the terrace, ivory white curtains open onto a view of succulent plants and the azure sea.

Preserved coves

What if you could be transported to a preserved turquoise cove within seconds? Throughout a walk along the coastline bordering the Resort, be awed by the blue depths of the Indian Ocean, punctuated by the typical black lava rocks. Deckchairs are only waiting for you. There's no-one else around.

An aerial photograph of a tropical island. In the center, a large, rugged mountain peak rises above a lush green landscape. To the right, a long, narrow strip of land features a resort with numerous buildings and palm trees, situated along a white sandy beach. The water is exceptionally clear, showing various shades of blue and turquoise, with visible coral reefs and sandy bottoms. The sky is a clear, bright blue with a few wispy clouds.
