The unique reasons
to choose
Club Med Michès
Playa Esmeralda

Part 1

Discover Miches

An aerial photograph of a tropical beach. The water is a vibrant turquoise color, transitioning from a deeper blue in the upper left to a lighter, shallower turquoise near the shore. A wide, pristine white sand beach curves along the right side of the frame. In the bottom right corner, a cluster of palm trees stands on the sand, their shadows cast long and dark. The overall scene is idyllic and serene.

The best place to start is (un)like any other.

An unspoiled place where the best things in life are all included.
