Natural Paradise in a bohemian atmosphere

This is Trancoso, the place where Brazil was first discovered, this paradise of white sand and crystal clear waters. Feel the sea breeze in the middle of this lavishing tropical landscape where nature is preserved.

After sunset, you can wander in the bohemian nightlife of Trancoso at the historic center of this fisherman's village. Savor the traditional local flavors, enjoy the warm hospitality, experience the nonchalant environment, be enchanted by the colonial architecture of colorful houses, be mesmerized by this impressive sky full of stars. The most important is to live at your own pace.

Welcome to Trancoso, a natural paradise in a bohemian atmosphere.

THE PLACE WHERE

The History of Brazil began

On the south coast of the state of Bahia, Club Med is located in this small fisherman's village that is Trancoso. This charming town combines culture and breathtaking scenery in a magical bohemian atmosphere. We are in the cradle of Brazil history, the exact place where the Portuguese first landed in 1500.

The history and identity of Brazil traces its origins in the state of Bahia where it all started: the capoeira circles, the African imprint in the spices and in the music, the beats of instruments during the Carnaval, the samba, the traditional clothing of Bahia women, the colorful bracelets of Senhor do Bonfim. Traditions and rituals have been preserved making Bahia a unique destination.

WHO IS THE *resort for?*

couples

Trancoso is known for being one of the most romantic destinations in Brazil. The chic bohemian atmosphere provides unique and intimate moments tailored for couples, either for honeymoon celebrations, for wedding anniversaries or just to relax on a trip for two.

group of friends

Share moments together, laugh and create new unforgettable memories. In addition to the immersion in the Bahia culture, Club Med Trancoso offers several collective leisure activities, an exclusive beach, a restaurant and a bar under the starry sky giving way to endless discussions with friends under a magical starry sky.

wellness

The resort sits on the top of the cliffs with direct and exclusive access to the beach. Nothing is better than waking up to the sound of the ocean waves, resting in front of the crystal blue waters and reconnecting with nature to renew your energies.

family

As the main pillar of Club Med, family occupies a central place in the resort offer. The activities are designed for all generations, from the mini club to the various leisure and sports options. The new Amazing Family program has been created to get the parents and the children to enjoy activities together as a family.

The vacation highlights of Trancoso

NEW YEAR'S EVE

The beautiful beaches of Bahia are one of the most popular destination for the New Year's Eve celebrations. Trancoso, in particular, is known to be a trendy place among national and international celebrities who find the perfect combination of stunning landscapes and a festive bohemian atmosphere.

VACATIONS AND LONG WEEKENDS

Trancoso benefits from a summery weather all year round with warm, sunny days, fresh breeze and bluish sky. School vacation periods, holidays or long weekends, this destination is perfect for relaxing and enjoying idyllic beaches any time of the year.

WEDDING AND HONEYMOON

The blue sky, the white sands and the crystal clear sea of Trancoso create a stunning and unforgettable setting for those who want to declare their love in an outdoor ceremony. The resort has a private space ideal to organize cocktails and tailored ceremonies surrounded by enchanting landscapes.

Club Med Trancoso Must Try Experiences

Secret path to the beach

Follow the enchanting lavishing tropical vegetation leading you to the secret path that takes you down to the beach from the cliff.

Enliven your senses with Bahia cuisine

The spices, the colors, the seasonings and the flavors of Bahia tell you the story of Brazil and its African heritage.

Swing the golf club by the sea

Live the incredible experience of playing golf on a 14-hole course located high on the cliffs, by the sea, with the sound of the waves in the background.

Yoga in full nature by the cliff

Breathe fresh air, relax your body and mind amid tropical nature, between the sea and the cliffs.

Seize the mystical and bohemian atmosphere of "Quadrado"

In the center of Trancoso city, a charming church is proudly facing the ocean while the square gives space to restaurants, bars and shops decorated with candles, small bulbs and soft music creating a unique mystical and bohemian atmosphere.

The beauty of the ride along the coast

Feel the wind and the sea breeze on a delightful ride on an electric bike along the white sand beaches of Trancoso while contemplating the infinite view of the sea for miles along the coast.
